Save on Your 2017 Taxes and Pay it Forward to Haven!

Have you heard?

Arizona law provides a tax credit for contributions to public schools to support extracurricular activities or character education. You can help Haven students and possibly lower your tax bill by making a donation before December 31 (to claim on your 2017 taxes).. Directing your Arizona taxes to Haven instead of the state government is a great way to support our school.

How can the Money be Used?

Experiential learning is very important in our Montessori curriculum. In an age of repeated budget cuts, the “extras” are often the first to go. Tax credit contributions supplement the costs associated with field trips, guest speakers, the arts, languages, and physical education. By donating to our school’s tax credit program, students receive an even more enriched education.
