Infant Classroom ~ Student Needs List

Welcome to our infant class! We ask that you provide the following items for your child on the first day of school. All items remain at school and should be marked with your child's name in permanent ink.

- 3 pairs of elastic-waist pants or shorts
- 3 short-sleeve onsies
- 3 T-shirts or pullovers with short sleeves for warm weather/long sleeves for colder weather
- 3 pairs of socks
- Slippers or other indoor shoes in addition to socks for colder months
- Season-appropriate, age-appropriate over wear (e.g. coat, hat, and mittens)
- 1 bottle of sunscreen (no spray sunscreen)
- 50 diapers (minimum) in an unopened package (cloth diapers are also acceptable)
- 2 unopened packages of diaper wipes
- 1 unopened tube of diaper rash ointment
- 3 boxes of facial tissue
- 3 containers of Lysol or 7th Generation cleaning wipes
- 2 swaddling blankets
- 1 warm blanket for cold weather
- 1 4-pack (or larger) of D batteries
- 1 pack of C batteries
- 3 to 4 pictures of Baby and family – this allows for a family atmosphere and gives your child the opportunity to see your smiling faces while you are away!
- Any additional items that your child may require
- 1 sippy-cup water bottle (once weaning from bottle)

Expectations for feeding

Your child needs to be able to drink efficiently from a bottle *before* starting school. If your child is not drinking from a bottle, Mom will need to be available at any time during the day to come nurse.

- **For breast-feeding babies:** please bring frozen or fresh breast milk in bags or bottles to be warmed. If you will be coming to nurse, please let the teacher know when and how often.
- **For formula-fed babies:** please bring 1 unopened container of formula. This will be mixed with tap water unless otherwise specified.
- **For breast-feeding babies supplemented with formula:** please bring frozen or fresh breast milk in bags or bottles to be warmed *AND* 1 unopened container of formula.
- 3 bottles, including ring, cap, and nipple
 - These bottles can will be sent home to be washed/sanitized daily

When your child starts solid foods, the following items are necessary:

- A variety of unopened jars of baby food or a variety of homemade food
- Finger foods and snacks when child is ready (typically when the child begins to crawl)
- Lunch box with an icepack (refrigerator is reserved for milk storage)

When your child is running low on any supplies it will be written on your daily take home sheet.

Haven will supply feeding dishes, utensils, and bibs that are sterilized after each use.
