

Toddler Class Supplies

Please bring these items with you during your child's orientation, and make sure everything is labeled with their first name and last initial in permanent marker!

Required Items for All Children

- * Indoor shoes (these are shoes/slippers that will only be worn when we are in our classroom; it's best that they have a hard-bottomed sole, as we do have a lot of work that involves water in our classroom)
- * Water bottle
- * 2 sets of extra clothes (please make sure these are seasonally appropriate)
- * Sunscreen (if your child does not have their own, we will use sunscreen provided by the school)
- * Fitted crib-sized bed sheet (for nap)
- * Blanket (for nap)
- * I recommend bringing daily items in a tote bag for ease of transferring between school and home.

Required Items for Non Toilet-Training Children

- * Diapers (Large package/box)
- * Diaper cream
- * Wipes
- * *We are happy to accommodate cloth diapers*

Required Items for Toilet-Training Child

- * 3 additional sets of extra clothes (including underwear and socks)
- * Diapers/Pull Up (for nap, if needed)
- * Optional Item: Wet/Dry Bag (these are especially great if your child is toilet learning, as it cuts down the number of plastic bags being sent home with you!)
