Please Take Note...

- The first month's tuition for all students in the infant class will be due within 10 calendar days of accepting an offer of enrollment. If the deposit is not received within 10 calendar days, the offer will be withdrawn, and the school will move down the waiting list.
- A \$35 late fee will be charged for payments more than **3 days past due**.
- We offer a sibling discount of 10% on the lesser private school tuition (does not apply to charter school fees or all day Kindergarten tuition).
- Accounts that become more than 30 days past due may be sent to collections and children may be disenrolled at that time.
- Because the annual budget for Haven Montessori School is dependent upon the tuition charged, tuition is not refunded for school holidays, school vacation periods, announced school closures, snow days, personal vacations or absences due to illness.
- It is understood that a child who is admitted is enrolled for the entire school year. Parents or legal guardians are required to give written notice to the school 30 days prior to withdrawal in order to receive any refund of pre-paid tuition that may be due. The refund will reflect the pro-rated amount based on the 30 days' notice.

Haven Montessori School Before and Aftercare Options

The school's academic hours are from 8:30am to 3:15pm Monday through Friday. Drop-off starts at 8:15am. Pick-up time is **no later than** 15 minutes past your child's ending class time according to your chosen schedule of attendance. If you arrive at school prior to 8:15 or are more than 15 minutes late, you may be charged a \$5/hour beforecare or aftercare charge for any part of that hour. Beforecare is available starting at 7:30am and aftercare is available until 5:00pm. **A one dollar per minute late fee may be charged for children picked up after 5:00 pm.**

We also offer a prepaid Before/Aftercare option with prepayment discounts, as well as sibling discounts. **Please note, you will not be able to change back and forth from hourly to prepaid.**

Hours must be set and cannot be switched around. For example, if you choose 1 hour of Beforecare and 1 hour of Aftercare (which equals 2 hours) you cannot then change it to 2 hours of Aftercare on some days. If you go beyond the 1st hour of Aftercare some days, you will be billed the difference on a monthly basis.
